Empowering Minds
Shaping the Future

30 YEARS OF EXCELLENT LEGACY

PROSPECTUS

The Joy of Learning...

Vision

The formation of a generation with creative minds, empathetic understanding and compassionate concern for fellow-beings, culminating in a society that is altruistic and philanthropic.

Motto

Empowering minds and shaping futures

Mission

Equipping the pupils with intellectual, spiritual, emotional and psychological maturity, pursuing academic excellence, cultivating values of charity and honesty based on the Benedictine ideals.

SKPS: THE SAGA OF GROWTH

The year 1993 marked the dawn of a new era that shed the light and warmth of knowledge and learning in and around Kaduthuruthy. Deep rooted in Benedictine values, nurtured by the Vallombrosan Fathers, is paving way for the growth and development of thousands of students. Its state of the art laboratories, library and other infrastructural facility provide a matching tune with the cutting edge technologies of modern times. The thirty year long saga of dedication and devotion is briefly named SKPS, the centre of excellence, and as such the saga continues without let-up to scale greater heights and to fathom deeper depths.

UNCOMPROMISING IN THE PURSUIT OF ACADEMIC EXCELLENCE ROOTED IN THE BENEDICTINE VALUES AND VISION

AWARENESS OF GOD

To look for God in the ordinary events of every day

JUSTICE

To work towards a just order in our immediate environment and in the larger society

DISCIPLINE

A way towards learning and freedom

HOSPITALITY

Openness to the Other

MODERATION

To be content with living simply and finding balance in work

STEWARDSHIP

To appreciate and to care lovingly for all things of this place

TEACHING AND LEARNING

To grow in the knowledge of truth

COMMUNITY

Striving together for the common good and growing in relationship with others

RESPECT FOR ALL

To respect each person regardless of religion, class, background or professional skill

OUR LEGACY

SKPS, thanks to the unique vision of her founder fathers, generated a culture and academic tradition in perfect accordance with the rich Indian heritage of tolerance and altruism, protecting and propagating true love of knowledge, patriotic zeal and communal harmony, bolstered by the all-embracing, noble and generous Benedictine spirit. And we believe, "Heard melodies are sweet, but those unheard are sweeter".

SKPS has introduced the LEAD school system which offers solutions for all the major challenges confronted by public schools like ours. The system ensures the presense of excellent teachers, smart classrooms and students possessing superb English skills. With the introduction of the system, SKPS accelerates her advances towards excellence, keeping up with the rapid pace of change in the field. The system goes a long way in building up the students' confidence through training them in five key skills, such as conceptual clarity, thinking skills, communication skills, collaboration skills and exposure. In fact we have every reason to hope for a bright future for our little ones.
