Ms. Mary Clemence

(Headmistress)

"The LEAD School system (ELGA) helps students learn English through understanding and context, not memorization. It strengthens real language skills by enabling them to read, think, and form sentences on their own."

Dr. Navya Jith Jacob

(Parent)

"LEAD builds strong foundations through enjoyable concept-based learning, developing creativity, communication and confidence."

Ms. Renimol M P

(Parent)

"LEAD makes English learning easy, interactive and confidence-building for every child."
